To Whom It May Concern:

My name is Rod DeBoice and I am the current President of the Rotary Club of Merritt. Last night was our 32<sup>nd</sup> Annual Installation of Officers, attended by 47 Rotarians and guests. It is our tradition to invite a guest speaker, as part of the evening's events. It was our pleasure to have had Reg Cousineau agree to speak at our function. We were so impressed with Reg's delivery of "Who Motivates the Motivator?" I was compelled to pass this testimonial on to Reg, for him to share with others.

Our club is a businesspersons' club. Our membership is comprised of the business leaders and decision-makers in our community, in both the public and private sectors. Our diverse group was positively impacted by Reg's message. Insight in to where our beliefs that form the foundation of who we are and how we perform were explained and presented in a fresh and uplifting manner. The importance of removing the negatives in our work and personal lives was highlighted by the life examples that Reg brings with him.

Reg's life experiences across Canada and North America are reflected throughout his presentation. Reg's background in business, counselling and education, obviously form a strong foundation to his motivational speaking skills. So if you are looking for a refreshing, entertaining motivational speaker with a unique flare, Reg Cousineau is definitely a great choice.

Yours truly,

Rodney James DeBoice
